Re: Master File C.A. No. 1:00-1898 (SAS), M21-88, MDL No. 1358
Commonwealth of Puerto Rico, et al. v. Shell Oil Co., et al., No. 14-cv-01014

Dear Judge Scheindlin:

I am writing on behalf of Defendants in the second Puerto Rico action, No. 14-cv-01014, to request that the deadline for all Defendants to respond to the complaint be extended until May 26, 2014 – the date ordered by the Court for the Trammo and Peerless defendants to respond. There are a number of defendants who will be filing 12(b) motions in lieu of answering the complaint, and a single response date will allow us to better coordinate those motions.

I requested Plaintiffs' consent to this single deadline earlier today but have not yet received a response. As tomorrow is the deadline for many defendants to respond to the complaint, we did not want to wait any longer before requesting this extension for a single response date.

Sincerely,

A handwritten signature in cursive script that reads 'Stephen J. Riccardulli'.

Stephen J. Riccardulli
